

Your new job opportunity at TrigasDM

Do you enjoy taking on an interesting task in our medium-sized and very flexible company? We offer you on-the-job training in a competent and international team with responsibility from day one.

TrigasDM GmbH is one of the leading specialists in flow measurement technology. Our innovative services are highly recognized by our customers worldwide. Due to our continuous growth, we offer you a secure job and many opportunities to actively contribute to the company's development.

To strengthen our team in Neufahrn near Freising, we are looking for a motivated and enthusiastic **sales engineer (m/f/d) for internal sales**. Start now with us as.

Inhouse Sales Engineer (m/f/d)

For you | more than just a challenge

- Technical and commercial customer consulting and support
- Development of economically and technically optimal solutions
- Processing of quotations and project planning in cooperation with the field service and the engineering department
- Clarification and monitoring of deadlines for orders and projects
- Active supervision/support of the sales force in the field
- Preparation of presentations and offers, marketing material and technical documentation
- Support at trade fairs and customer events
- Coordination between the field service, planning and development departments
- Participation in the processing of complaints as well as customer support

For us | the perfect reinforcement

- Completed technical training (e.g. engineer, master craftsman, technician) in the field of instrumentation/automation technology, ideally in flow measurement technology for gases and liquids
- Professional experience in a comparable position in sales
- Knowledge of the automotive, hydrogen, aerospace, oil and gas industries
- Strong communication skills and customer-friendly appearance as well as sales skills
- Reliability, initiative, commitment and organizational skills
- Customer- and service-oriented thinking and acting as well as team-oriented way of working
- Hands-on mentality and occasional willingness to travel
- Good computer skills
- Business fluent in German and English

From us | what you can expect

- Pleasant working atmosphere and good team spirit
- Permanent employment relationship and a secure workplace
- Easy start through extensive on-the-job training
- International and team-oriented working environment
- Responsible & varied tasks
- Development opportunities in a rapidly growing company
- Good transport connections & sufficient parking space for cars and bicycles
- Flexible working hours plus work-life balance
- Family-friendly flexitime arrangement
- 30 days vacation
- A lot of personal responsibility (starting from the first day)
- Performance-related pay
- Various company events
- Further education & training
- Exciting development opportunities in the promising hydrogen market

We offer committed career starters or career changers the opportunity of an intensive training. We will be happy to support you in case of a move and promote you with regard to further and advanced training and accompany you in your professional development.

We look forward to receiving your application at **personal@trigasdm.com!**
